ARMISTICE DAY CEREMONIES TO BE HELD

AT THE BRISBANE AMERICAN LEGION HALL ON SUNDAY, NOVEMBER 11TH

BETWEEN TEN AND ELEVEN A.M. WITH THE

AMERICAN LEGION POST #473--

THE WALTER A. BLAIR V.F.W.--

& BLAIR'S RANGERS

officiating.

COME ON DOWN AND HONOR THOSE WHO FOUGHT IN WORLD WAR I!

* * * * * *

SERVICEMAN'S CORNER:

Hi, fellows. Did you notice the front page this week? Some of you probably look upon "Armistice Day" as a big joke, and a waste of time. Well, your fathers, and their fathers--don't. Armistice Day,---November 11th, 1918--meant as much to them as V-J and V-E days meant to you and your older brothers at the close of World War II. November 11th in 1918 meant the cessation of hostilities in Europe--and that our "boys" could come home to their loved ones. Armistice Day meant bands playing--and whole towns and states turning out to welcome home our "Heroes"---and it meant tears for the wives, mothers, and children of those who did not return. The scars are still there on the hearts of the bereaved ones these thirty-three long years afterwards. Have you ever stopped to think of THIS point--that but for the Grace of God, and sheer luck--YOU MIGHT NOT EVEN HAVE BEEN BORN? Look at it this way---suppose YOUR father, or grandfather (depending upon your age) had been one of these who DID NOT RETURN! Think of all the unborn sons--because of WORLD WAR I!!

Therefore--in spite of the fact that World War I seems to have been in vain--and that World War II was never finished--and that you are now over there on foreign soil, fighting an undeclared war--don't you think it only right and proper that we do homage to those brave heroes of almost half a century ago? They fought just as well, and died just as hard--as your mother's sons are doing! War is War--no matter what century or time of century that war happens!

By the time you get this paper, Nov. 11th will have come and gone. I hope YOU paused a moment at least--and remembered the boys of 1918!

And now for some Servicemen's mail:--

BAINBRIDGE, MARYLAND

Dear Reecos:

It has been a long time since I've been in the old hometown, but I hope it won't be long before I can get back there and see all my old friends--and my mother and brother. I hear there was another fire in Brisbane which burned over 1500 acres--it must have been quite a fire!

Well, Reecos, I have been in the Navy for seven weeks now, and am half way through boot camp. Our company has been on Battalion watch, and now we get Regimental watch. I have been kept pretty busy these last three weeks, what with all the different jobs around here.

Thank you for the Bylines you sent me, as I was glad to have received them. (Please excuse the writing--as it is hard to write with a bunch of DOPES making so much noise I can't think straight.)

Your friend,
CHUCK McCarty

----thanks, Chuck, for the nice letter. Glad to hear from you fellows in boot camp--and hope it is habit forming, so that when you get into Active Service, you will keep it up--the writing, I mean.

Now for some news from here and there. If you want to know what an ATOM BOMB looks like, at close range--just remember to ask our own Jim Crowley, when he gets back. He's been stationed right there at Camp Desert Rock in Nevada, where they've been holding the tests. And here's a little hint to some of you other boys--r--that would be a better way to spend some of that money you are earning than by calling your Mom long-distance once in awhile? Kaye Ivey's son Sgt. Bob Glenn called here from Yokahama last Sunday evening, from the hospital where he is being treated for a bad ear. You'll remember Kaye as the morning bus driver here. Bob Tann has returned after a few days trip to Los Angeles where he visited with some buddies of his. He's looking better and better after his narrow escape with a mortar blast. Larry Jenkins will have to take some more treatment at that hospital in Korea before he can be shipped back here. Guess who we saw in town the other day? George Estes--another of our "Purple Heart" boys---he's been discharged from active service. John Clancy has returned to duty with the Navy, but Chuck Richards is still enjoying his fifteen day leave here. And we see Chuck May every once in awhile--as he's stationed close by. Well--guess that's all for this week---except for the letter from Jim Wright--sending Glen Stacer's address, and asking for Dick Wakeloo's. Goodbye for now---see you next week!

COLLEGE ADULT CLASSES:

As Brisbane is part of the Junior College District, it has occurred to your Superintendent that perhaps many parents and adults would be interested in Adult Classes given by the Junior College. Classes would be held at the Brisbane School for your convenience, and without charge.

The head of the Junior College Adult Center stated he can establish a class of 20 to 25 people who wish to take the same class. For example--6 people have already said they would like a class in shorthand.

Classes in sewing can be established and the Junior College will furnish sewing machines to be used at this school.

If there is any class in any subject that you would like to see formed, please call the school--JU 5-9523, and leave your name. I will do my best to see if we can get it established. Classes in Americanization for people who want to become citizens can be formed with less than the required number of 25. Trusting this information will enable us to form as many classes as you wish--NATALIE LIPMAN-Supt.

HALLOWEEN CARNIVAL HUGE SUCCESS:

The usual Halloween pranks did not take place in Brisbane this year, due largely to the Carnival at the Brisbane Elementary school. This Carnival is an annual affair sponsored by the Brisbane P.T.A. and designed to keep the children out of harm, and to divert young minds away from mischievious occupations. Rabbits, witches, skeletons, pirates, and many other costumes were prevalent atthe carnival. Two of the busiest people in town that night were Mrs. R. Spencer, chairman, and Mr. Edward Whitson, co-chairman. Serving cakes and coffee at the lunch counter were Mesdames Radoff, Wallace, Babkirk, Grabosky, McNutt, and Hosking. At the dart game were Mrs. E. Whitson and Marian Moore. At the "hoop table" was Clint Stewart. Boy Scout Troop #134 was represented by Mr. Rumbaugh, Scout Master, at the balloon-dart game. Conspicuous for their efforts in making this affair a success was Ernie Hutchinson, Walter King, and Ray Villmaigroy. The prize booth was manned by ladies of the P.T.A.--among whom were Mesdames Romriello Wright, and Bhend. Mr. Jack Grabovsky manned the bombsight and nail punting booth, while hot dogs were consumed at the stand taken care of by Mrs. Byron Jensen. Mrs. W. Watkins, J. Fitting, and Mrs. S. Webber handed out soft drinks. Others handling booths were Art Kennedy, Lou Duncan, Mrs. Hutsinger, and Mr. Wallace. Marvin Moore and Lou Stone handled the cans-in-water game. Mr. and Mrs. Bennett had the hoop game, Mrs. Saunders the bean bag game, and Bert Baldwin, Mrs. Murphy, Mr. Mills, and Mr. & Mrs. Trantham were the remainder of the volunteers. Mesdames Hammond, Shultz, and Mullen of the American Legion Auxiliary handled the games for the "older children". Mr. Delbon and Mrs. Jonnette were kept busy at their ticket booth.

Mrs. Roy Edwards, Brisbane P.T.A. president, and all parents and teachers, wish to take this opportunity to thank all other organizations, such as the VFW, American Leg. Aux., Boy Scouts, and Firemen, for their interest and hard work which went into the planning and actual running of this carnival. Although the children went home tired, they went home contented--and had a memorable Halloween. Thus--we conclude that the Carnival was a tremendous success in every respect!

WE REGRET the ommission of the names of Mr. and Mrs. B. Zlaitch, of 238 GlenPark Way, in the item about the big fire last month. It has been brought to our attention that Mr. and Mrs. Zlaitch handed out ten wheat sacks to the fire department for use in fighting the fire--and that Mr. Zlaitch was not given proper credit for helping with the bus station on Bay-Shore highway.

RECREATION NEWS:

The Recreation Center is open each school day from 2:30 to 5:30--Saturdays, 9 to 4. Tues., and Friday evenings--7:30 to 9:30. The Center is under the leadership of John Cowley, a graduate student from San Francisco State College.

The teen-age dances held each Friday evening have proved very successful this year. The Elementary dances for boys and girls from Grades 6,7, and 8 are held the 2nd and 4th Fridays from 7:30 to 9:30 while the High School Dances will be the 1st and 3rd Fridays, from 7:30 to 9:30.

Games for Grades 1,2, and 3 start each day at 2:30 and Mr. Cowley has planned many games of interest to this age group.

Other team games for children of older grades are now being formed, and each child isurged to sign up at the Center for the team in which he is interested. Classes in clay, for adults, are again being started and will be held at the school each Wednesday, starting Nov. 7th. Hours are from 1 to 3. Mrs. McGinnis will be the instructor.

Your Board of School Trustees have let the bid to the low bidder--R.C.Downer Co.--to prepare the grounds, put in the water and sewer lines, etc., for the new Recreation site. Work will start within the next 2 weeks. The Recreation Center building will be moved, possibly in the spring--as soon as the grounds are completely ready.

----NATALIE LIPMAN, Supt.

LETTER FROM A GRATEFUL MOTHER:

Dear Mrs. Reece: Just a few lines to tell you that if all goes well, the doctors will put little Jimmy in a cast sometime next week, and let us take him home. During his stay at South San Francisco Hospital he has received lots of cards and toys from Brisbane folks--which helped to make his weary hours a little shorter, and his troubled heart a little less lonely.

As Jimmy is not yet two and one half years old, his adjustment to hospital routine was not fast and furious, and after the operation the doctors advised against further visits, so I have no way of knowing just whom to thank for what!

We've lived in Brisbane only a short time, I am not too well acquainted but the people I do know are well aware of my gratitude and to the other kind "strangers" will you please say "thank you for making Jimmy's days a little less empty and his mother's heart just that much more full"?

Sincerely--

MARIAN E. VICKERY

(Mrs. Vickery is the mother of the little boy who fell and broke his leg--and of whom a plea was published in this paper for toys and cards during his hospital stay.)

BOOK WEEK NOV. 11 TO 17TH:

Book week will be observed in our local branch of the San Mateo County Free Library all next week. Espedially interesting will be the display of new children's books with their colorful covers and illustrations.

If it can possibly be arranged, we will have a guest speaker on one of the Book Week days--a writer of children's books--who will discuss the new books and tell a story to the children.

Everyone is cordially invited to come in and look over the new supply of both children and adult books during Book Week, and to take out a card if you have not already done so.

--MRS. DEIBON, Brisbane Branch Librarian.

DID YOU KNOW:

that little Barbara Lee Wright celebated her 6th birthday last Saturday afternoon by hostessing at a party for 25 of her guests, at her home at 236 Klamath Street--and afterwards treated them all to a movie at the local theater?

that Mr. Everett Parrish of 272 Santa Clara has joined his wife on their chicken ranch at Beaumont,California, and that Brisbane will miss you, Mr.& Mrs. Parrish??

that Mrs. Roy Marks of Klamath Street is convelescing at the South S.F.Hospital after a long illness??

that little Merle Ann Nelson of 272 Santa Clara Street will celebrate her 8th birthday on Saturday, Nov. 10th, by hostessing a party for her little friends?

that a rumor has come to our ears about Mr. and Mrs. Frank Record, of San Bruno Avenue--that of late hour there's another "woman" in the home, in the person of a brand new baby daughter, born Nov.7th?

that reporting of results thus far in the fund raising campaign by the San Mateo Co. Community Chest drive, at a "dutch-treat" buffet supper held last Thursday evening at the Peninsula Golf & Country Club, showed a total of 65 percent, or $227,059 raised to date?That Brisbane only came through with 45%--or $224 of the $500 quota?? --that we OUGHT TO BE ASHAMED OF OURSELVES?????

POME:

"The time has come"--the Walrus said,
"To speak of many things---
Of shoes, and ships, and sealing-wax,
And cabbages and Kings!"

For the good of your old bus!"
